Property to be sold AS-IS. Seller to do no repairs or inspections including governmental inspections. Here is your chance to own a fixer upper in the heart of The Grove neighborhood. Walking distance to shops, restaurants and bars. Not only is this home a great location but it is very private due to it being on a dead end street. The home is in need of a full gut. There was a minor fire a few years back so everything in the home should be replaced and updated. This is a highly desirable neighborhood that should have no problem finding a buyer once it's fixed up. Seller is not aware of any issues. Refer to ShowingTime for showing instructions.
